

## October 2009 Newsletter

The crying has finally stopped, new friendships have been formed and your child is arriving home with an armload of papers, projects and stories. October is here and the trials and tribulations of September are behind us.

All classes have begun exploring their themes and have started to work together as a team. It is not always easy for children to place themselves in a new group, we still have minor battles every day, but as a whole, classes can work nicely together.

You have all received your welcome packages and hopefully have had the chance to talk to the teachers not only at the Open House meetings but privately as well. If you still have any questions or concerns, let us know, please.

### UPCOMING EVENTS

In October we will celebrate one of the most anticipated events, HALLOWEEN! Prepare for a ghastly, ghostly day and don't forget to get a costume ready!

Before all the festivities, however, we will be CLOSED on October 23<sup>rd</sup>, Friday, as it is a NATIONAL HOLIDAY when Hungary commemorates the events and the heroes of the uprising of 1956.

On the 29th of October, Thursday, we will all be wearing black and orange for our BLACK AN ORANGE DAY.

And, of course, on Friday, the 30th we will have our HALLOWEEN PARTY the details of which will be posted on the notice boards.

**HAVE A GREAT OCTOBER!!!**
